

APPLICATION FOR INFANT DEDICATION

PLEASE READ THE INFANT DEDICATION BROCHURE PRIOR TO FILLING OUT THE APPLICATION.

It is exciting when a new child enters a family. There is no greater moment than when parents acknowledge a child as a gift and responsibility given to them by God. A baby dedication service is one in which the parents present their child before the Lord and the congregation and ask for His grace and wisdom to carry out their responsibilities. At that time the parents make a *serious vow* to raise this child to the best of their ability with the help of the Lord. This is also a time in which parents and congregation pray that the child will one day accept Jesus Christ as their personal Savior.

Who may participate? Any adult believer may participate in this dedication to Christian parenting, if they serve in that capacity in the child's life. This may include extended family members or godparents.

What age child may participate? We suggest that dedication be limited to newborns through *six months*.

Dedications are conducted during the Sunday 11:30 a.m. Service on the SECOND SUNDAY of each month (as possible and as needed). Dedications conducted in the service are provided for married couples, living by God's biblical standards for marriage and family, and who wish to dedicate themselves to the Lord in the presence of the church body. Other accommodations are provided for single or unmarried parents and will be considered on an individual basis. Once approved through the Senior Pastoral office, you will be contacted with the exact date of your child's dedication. We encourage grandparents and close relatives to stand with their children during the dedication.

Parents requesting dedication of their child must be **members** of Evangel World Outreach Center or **regular attendees**. ***All other requests are subject to approval.***
