Born To Be Wild

Virginia Sonnenschein

"Born To Be **Wild**" (**W**omen **I**n **L**ifelong **D**evelopment) is a class for women who are passionate about taking their lives back for God. "It's about becoming women who dare to live differently - wild in surrender, wild in devotion, wild in service, and wild in following what God has called them to do." This class will also encourage women to embrace the adventure God has for them, learn to stand firm in crises, confront fear with truth, dare to live by a different standard and find courage to trust in the Lord with all of their hearts, not leaning to their own understanding as they watch their faith grow. *This class is for women 25 and up. No children will be permitted.*
